

WISH BANK HANDMADE MUSIC BOX

FINAL PROTOTYPE

Make a wish! This newly authentic designed music box has a top secret storage, allowing you to put jewelry, secret wish notes, or small items inside while listening to your favorite music.

CONCEPT DEVELOPMENT

SKETCHES & INSPIRATION

Use scenery material and tools to decorate the top of the music box.

Use .125 diameter pins to hold the parts together.

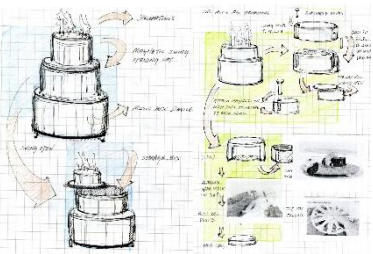

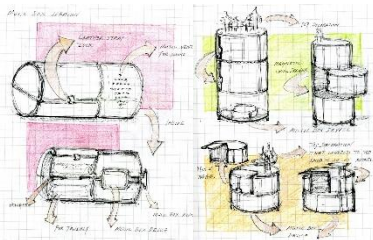

Music device with rotation system is attached to the base.

Use magnet to hold the lid together with the storage box.

Use magnet to allow the character to move around along with the music.

5 4-40 screws to secure the base.

4 wooded stand attached to the base.
